DC Issue 2014121901:	Has a Failure to Pay Credit Event occurred with respect to Caesars Entertainment Operating Company, Inc.?	
Question for vote	Do you agree to publish the following statement? "The DC Resolved that a Bankruptcy Credit Event occurred with respect to Caesars Entertainment Operating Company, Inc. ("Caesars") on January 15, 2015 and that an Auction will be held. The DC agreed to defer consideration of the date of the Auction (and crystallization of the Event Determination Date would not occur) until a final External Review decision is reached in the Caesars Failure to Pay questions (DC Questions 2014121901 and 2014122202). The DC intends that if the final decision in the External Review process is that a Failure to Pay Credit Event did occur, then a single Auction would be held and a single Event Determination Date determined for all CDS contracts referencing Caesars."
